

**Cancer Insurance**

**CancerSelect® Plus**

**The Power of Voluntary Benefits**

Wellness riders provide preventative care through early detection. Customize a plan for each group based on their medical deductible.

**GI Available Depending on Case Size.**

**Basic Coverage**

Designed to provide eligible employees, spouses<sup>1</sup> and eligible children with benefits to help cover the cost of cancer treatment. No physical exams or blood tests are required<sup>2</sup> and coverage is portable. Benefits are paid directly to the employee or anyone else they choose in addition to any other insurance employees may have.<sup>3</sup> Select units for each of the base benefits, optional riders or choose from shelf plans.

**Hospital Benefits**

Hospital confinement	Extended benefits	Attending physician	Extended care facility	Hospice care
Private-duty nursing	Inpatient drugs & medicines	Ambulance	Government or charity hospital	

**Surgery Benefits**

Surgery	Anesthesia	Reconstructive surgery	2nd surgical opinion	Outpatient surgery
Skin Cancer	Prosthesis	Hair prosthesis	Ambulatory surgical center	

**Cancer Maintenance Therapy Benefits**

Hematological drugs	Anti-nausea drugs	Motility agents	Cancer suppressive therapy
---------------------	-------------------	-----------------	----------------------------

**Radiation and Chemotherapy Benefits**

Radiation and chemotherapy treatments	Associated expenses with radiation and chemotherapy		
New or experimental treatment	Associated expenses with blood, plasma, and blood components (e.g., platelets)		
Blood, plasma, blood components (e.g., platelets), bone marrow and stem cell transplants			

**Wellness and Miscellaneous Benefits**

Wellness screenings	MRI scans	Non-local transportation	At home nursing
Family member lodging	Waiver of premium	Physical therapy and speech therapy	Outpatient lodging

<sup>1</sup> Spouse or equivalent as defined by governing state law.

<sup>2</sup> Acceptance will be based upon answers to questions on the application.

<sup>3</sup> Varies by state.

### Cancer Maintenance Therapy Benefits

Cancer Suppressive Therapy	Hematological Drugs	Anti-Nausea Drugs	Motility Agents
----------------------------	---------------------	-------------------	-----------------

### Mammography Benefit

In California, a \$200 benefit per examination based on schedule. In Montana, a \$100 benefit per examination, based on schedule.

### Employer Level Optional Riders

#### First Occurrence Rider (Rider Form Series CROCC200)

The employer has the option to select this module containing a Lump-sum Benefit of \$1,000 per unit when proof of cancer is first positively diagnosed (except skin cancer) while the policy is in force.

#### Intensive Care Rider (Rider Form Series CRICU200)

The employer has the option to select this module containing the following In-hospital benefits. Provides the benefits for loss from sickness or injury resulting from the insured's confinement in an Intensive Care Unit or Step Down Unit.
