

ONLINE BILLING

BillPay-Express

Our Simple, Fast and Flexible ePayment solution to manage your voluntary and employee benefits invoices.

Log in at www.transamericaemployeebenefits.com and click on the Employer tab to get started! It only takes a few minutes to register and all you need is the Employer ID and Zip Code from your Premium Billing Statement.

Simple.

Simplify your administration billing tasks with easy tools and functionality at the TEB Employer Website. We provide secure, streamline and easy-to use processes for Policy and Group administration, bill reconciliation and ePayment capability.

Fast.

It takes only minutes to complete policy and billing changes, as well as reconciling and submitting your payments online. With TEB's BillPay-Express, cross off another item on your to-do list for today.

Flexible.

Use one or all of our flexible payment methods to pay your bill. BillPay-Express is available whenever you need it; you can research policy data, view paid and current bills, use our handy reference section to view a demo or print employee forms.

What sets BillPay-Express apart?

Our easy-to-use website for Benefit Managers includes the following great features:

- + Express access to view, download, reconcile and print invoices at any time
- + Review summary information or employee detail
- + Electronically submit secure payments
- + Create customized payment schedules
- + Upload/download files securely
- + Set up e-mail alerts for invoices
- + Change billing frequencies and preferences
- + View and download customer service and claim forms

For registration or login assistance, contact Web Billing at 866-411-4159, option 2.
